

THE TECHNOLOGY CATALYST FOR INNOVATION IN LIFE SCIENCES

We are Biomedical Information Systems Experts

About Us

Essex Management is a biomedical informatics and health information technology-focused consultancy founded in 2009, and headquartered in Rockville, MD. Our staff comprises experts with extensive experience in strategically managing and developing complex health and biomedical information programs for clients in the Federal Government, research academia, and private sectors.

Our Team

Our staff are experienced and recognized leaders in the fields of clinical data standards and bioinformatics.

Our Approach

Committed to best practices in DevOps, Software Engineering, Data Science, and Project Management.

Our Performance

We evaluate metrics, learn, and adapt to change in order to continually improve performance and deliver customer ROI.

Our Promise

Mature administrative processes and a transparent, customer-focused attitude.
